THE

PHANTOM OF THE OPERA

Cadillac Palace, matinee, Chicago, Saturday, December 28, 2019

Winner of seven 1988 Tony Awards® including Best Musical, The Phantom of the Opera is based on the novel by Gaston Leroux. It tells the story of the hideously deformed Phantom who lurks beneath the stage of the Paris Opera, exercising a reign of terror over its occupants. The phantom falls in love with the young Soprano, devoting himself to creating a new star for the Opera by nurturing her extraordinary talents and employing all the skills at his disposal. This production boasts many exciting special effects, including the show's legendary chandelier. The beloved story and thrilling score – with songs like 'Music of the Night,' 'All I ask of You,' and 'Masquerade' – will be performed by a cast and orchestra of 52, making this Phantom one of the largest productions now on tour.
